

FacetWin and FacetTerm Technical Support

Warranty

FacetWin and FacetTerm licenses include a 30-day warranty for new customers with free technical support and free software upgrades during the warranty period. A new warranty is not included with add-on user count licenses for existing customers whose original warranty has expired. Customers not under warranty or support may purchase version upgrades at the then published upgrade price. This price is normally 2 to 3 times the annual support cost.
